Description An addition to the 2007-09 Authorized State Building Program									

Assumptions Used in Arriving at Fiscal Estimate

If enacted, this bill would amend the 2007-09 Authorized State Building Program to add one project. The project would authorize a TomoTherapy addition to the School of Veterinary Medicine at the University of Wisconsin-Madison. The project is financed with \$2,546,000 in gifts and or grants to the University of Wisconsin.

There is no fiscal effect on the Department of Administration if this bill is enacted.

Long-Range Fiscal Implications

None.
