State of Wisconsin Department of Revenue

January 8, 2008

The Honorable, the Legislature:

Section 565.45, Wisconsin Statutes, requires the Department of Revenue to submit a biennial report to the legislature regarding the impact on lottery operations of the 10% expense limitation under s. 25.75(3)(b).

Section 25.75(3)(b), Wisconsin Statutes, requires that expenses for the operation and administration of the lottery not exceed 10% of gross lottery revenues unless approved by the Joint Committee on Finance under s. 13.10.

Gross lottery revenues include gross revenues from the sale of lottery tickets and lottery shares under ch. 565 and retailer application fees imposed under s. 565.10(8).

Expenses include:

1. amortization of capital expenditures;
2. payments to vendors under s. 565.25(2)(a) for on-line and instant services and supplies;
3. operating expenses of the Department of Revenue under s. 20.566(2)(r)

Expenses exclude Department of Justice law enforcement expenses appropriated under s.20.455(2)(r).

On-Line Telecommunication Charges dropped from \$2.976 million in FY04 to \$42 thousand in FY05 to \$0 in subsequent years as a result of a new gaming system software contract. Under the new contract, the telecommunications system linking the gaming system with Lottery retailers is included with the Instant and On-line Vendor services. The inclusion of On-line Telecommunications Charges with Instant and On-line Vendor Services has saved Wisconsin Taxpayers up to \$3 million annually.

Total administrative expenditures as determined in accordance with Section 25.75(3)(b) in FY06 and FY07 were \$29,139,014 and \$29,101,848, respectively. These amounts represent 5.72% of gross lottery revenues for FY06 and 5.90% of gross lottery revenues for FY07. Amounts for both years are well below the 10% limitation imposed by Section 25.75(3)(b).

If you have any questions regarding this report please feel free to contact my office at (608) 266-6466.

Sincerely,
ROGER M. ERVIN
Secretary
