<b>Description</b> Training for foster parents		

**Assumptions Used in Arriving at Fiscal Estimate**

Current law requires all foster parents to complete training in the care and support needs of children in foster care as prescribed by the Department in rules.

This bill prescribes specific issues that should be addressed in the training; requires that the training be completed on an ongoing basis; allows the training to be available to kinship care relatives upon their request; and requires that the training be completed before the first child is placed with the foster parent.

Sufficient base resources are available to comply with the statewide foster parent training requirements under this bill. Thus, there is no fiscal effect to this bill.

**Long-Range Fiscal Implications**
