<b>Description</b> authorizing the Department of Commerce to certify for tax benefits a business located in an enterprise zone and having a Wisconsin supply chain		

**Assumptions Used in Arriving at Fiscal Estimate**

This bill authorizes Commerce to certify for tax benefits under the Enterprise Zone program a business that develops or maintains a significant supply chain with other businesses located within the state. This bill will not affect the department's administration of the program, and it will not have a fiscal effect on the agency.

**Long-Range Fiscal Implications**
