Description Arbitration and fair-share agreements during collective bargaining negotiations under the Municipal Employment Relations Act		

Assumptions Used in Arriving at Fiscal Estimate

The bill makes it a prohibited practice under the Municipal Employment Relations Act (MERA) for an employer or employee to end any grievance arbitration agreement or for the employer to end any fair share agreement during a contract hiatus.

This bill has no direct fiscal impact on the Office of State Employment Relations' operations or programs because this bill pertains only to municipal employers and employees. Our office handles collective bargaining on behalf of the State of Wisconsin as the employer and governed by a different statutory provision, State Employment Labor Relations Act (SELRA), Chapter 111.80, Wis.Stats. Furthermore, our office does not collect data to estimate the fiscal impact of this bill on local governments since that is not within the authority of our office. Subsequently, the fiscal effect on local governments is indeterminate.
