Fiscal Estimate Narratives

DOA 3/30/2010

LRB Number	09-4461/3	Introduction Number	SB-656	Estimate Type	Original
Description Construction of a rural dental education outreach facility in Marshfield, granting bonding authority, and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

If enacted, this bill would authorize \$10 million in new general fund supported borrowing to be used for a grant to the Marshfield Clinic for a dental education outreach facility. The Wisconsin Building Commission can authorize the project and bonding for the debt only after Marshfield Clinic secures at least \$10 million in additional funding from non-state sources, and the Department of Administration (DOA) has reviewed and approved the plan for the proposed facility.

Under the provisions of the bill, DOA will not contract for any of the work on the facility and will not supervise any of the services or work on the facility. The bill requires that the project be authorized by July 1, 2015. DOA's Division of State Facilities will be able to review and approve the plan for the facility using current staff and resources.

Under the bill, annual debt service will be paid from a GPR sum sufficient appropriation. The annual debt service is unknown at this time because DOA does not know when the project will be approved by the Building Commission and what the timing and rate of state bonds will be at that time.

Long-Range Fiscal Implications

Unknown.
