Enclosed is a copy of the Child Abuse and Neglect Report, 2008 Data, pursuant to s.48.981. The report includes a statistical analysis of suspected child abuse and neglect reports received and investigated by county child protective services (CPS) agencies and the state Bureau of Milwaukee Child Welfare in calendar year 2008. The report also contains information on child fatalities due to child abuse or neglect and data regarding children who are identified as victims of abusive head trauma.

**State of Wisconsin  
Legislative Audit Bureau**

June 24, 2010

The Honorable, The Legislature:

The Legislative Audit Bureau has operated its Fraud, Waste, and Mismanagement Hotline since April 2008. The hotline was

established by [2007 Wisconsin Act 126](#) so that the public, public employees, and contractors could easily and confidentially report suspected fraud, waste, mismanagement, and other improper activities within the scope of state government.

Hotline reports are received primarily through a toll-free telephone number (1-877-FRAUD-17), but also by mail and a secure Web-based form that was developed in 2009. We review each report to determine whether the allegation or concern can be addressed by staff in state agencies or in an independent review by Audit Bureau staff. Statutes require us to protect the identity of any individual making a report and all reported concerns are tracked.

Of the 79 hotline reports we received in 2009, 53 were specific to state programs. We resolved 16 of the reported concerns; 19 remain under review, and 18 could not be substantiated with available information or required no further action.

This letter highlights hotline activities in 2009 and summarizes outcomes and findings related to reports that illustrate the variety of issues addressed through our hotline work. We appreciate the courtesy and cooperation of the various state agencies with whom we worked to resolve hotline reports or address common types of allegations.

Sincerely,  
*JANICE MUELLER*  
State Auditor
