Spencer

Dear Representative Black,

I am writing to request that the Assembly Committee on Natural Resources hold a public hearing on the following items:

Clearinghouse Rule 08-102 relating to the application of reasonably available control technology emission limitations to sources of volatile organic compounds in ozone non-attainment counties, and affecting small business.

Clearinghouse Rule 08-104 relating to volatile organic compound emission controls for industrial wastewater collection and treatment operations.

 **Clearinghouse Rule 08-114** relating to the application of reasonably available control technology for volatile organic compound emissions from certain operations within the synthetic organic chemical manufacturing industry.

Thank you for your consideration of this request.

Sincerely,

Jeff Mursau
State Representative
36th Assembly District
