Assumptions Used in Arriving at Fiscal Estimate

The proposed legislation is unclear about the reporting requirements that will be required in AB 400 making it difficult to determine the fiscal effect. HEAB uses the WISMART accounting system and the information is available through DOA. HEAB reconciles and reports the spending via its annual reconciliation and recertification process. This bill would increase the workload of HEAB's staff that is very small and stretched very thin.

Long-Range Fiscal Implications
