We live on a 3 acre plot adjacent to the
marsh that connects to Hunter's Point
property. We have gone to ALL OF THE
PRO-CON meetings involving the Sporting
Clays and do not feel there would be
any adverse effects to the environment
at all.

We the residents of N3840 Hickory Rd.,

to a sporting clay course at Hunter's

To Whom it may concern;

Re: Clay Pidgeon Set-up at Hunters Point.

I do not have a problem with Hunters Point setting up a range for shooting clay pigeons.

I am President of the Oakfield Conservation Club, Inc. that owns about 240 acres just north of Hunters Point.

I can't speak for all two hundred families in the Club but of the twenty other Directors none of them have spoken against Hunters Point proposal.

Sincerely;

Ronald L. Aymer
Pres. Oakfield Conservation
Club, Inc.
