Fiscal Estimate Narratives

DOR 9/6/2013

LRB Number	13-0189/1	Introduction Number	AB-0349	Estimate Type	Original
Description Authorizing the creation of a Fox Cities regional transit authority and making appropriations					

Assumptions Used in Arriving at Fiscal Estimate

2009 Wisconsin Act 28, the 2009-11 biennial budget, authorized certain municipalities to create Regional Transit Authorities (RTAs) and impose a sales tax of up to 0.5% within the authority's jurisdiction to fund transit systems. 2011 Wisconsin Act 32, the 2011-13 biennial budget, removed the authority for municipalities to create RTAs and dissolved the existing transit authorities.

The bill authorizes the creation of a Fox Cities RTA with the same powers and authorities as provided to RTAs under 2009 Wisconsin Act 28. Under the bill, two or more municipalities located in the Fox Cities Metropolitan Planning Area (FCMPA) may create an RTA by adopting a resolution that is ratified by referendum at a general election. After the Fox Cities RTA is created, any municipality located within the FCMPA may join the RTA if the municipality adopts a resolution that is ratified at a referendum and the Fox Cities RTA board approves the expansion of the RTA. In addition, any municipality located in whole or in part within Outagamie County, Calumet County, or Winnebago County may join the RTA through the adoption of a resolution, referendum and RTA board approval. The jurisdictional area of an RTA created under the bill is the territorial boundaries of the municipalities that make up the authority.

Under the bill, the RTA may adopt a sales tax of up to 0.5% that would be imposed in the authority's jurisdictional area. The Department of Revenue (DOR) would retain 1.5% of the amounts collected for the department's costs of administering the tax on behalf of the RTA.

Under the bill, municipalities that are part of the RTA that imposes a sales tax may not levy property taxes for transit purposes in excess of the amount of property taxes levied for transit purposes in the year before the year in which the RTA tax is imposed.

The fiscal effect of the bill depends on the size of the RTA created and the sales tax rate adopted by the authority. The administrative cost of the bill itself is minimal as it simply provides authority for the creation of the RTA. Depending on the tax rate and the jurisdictional area established, DOR administrative costs associated with the Fox Cities RTA sales tax could substantially exceed the amount collected from the administrative fee as proposed.

Assuming the Fox Cities RTA is created with a jurisdictional area covering the 15 municipalities that are currently part of the FCMPA, the RTA imposes a 0.5% sales tax, and further assuming that the sales tax generated by the Fox Cities RTA is proportional to the FCMPA's share of the state's population, it is estimated that the Fox Cities RTA sales tax would generate approximately \$16.8 million on an annual basis. The FCMPA currently consists of the cities of Appleton, Kaukauna, Menasha, and Neenah; the villages of Combined Locks, Kimberly, and Sherwood; and the towns of Buchanan, Grand Chute, Greenville, Harrison, Kaukauna, Menasha, Neenah, and Vandenbroek.

Long-Range Fiscal Implications
