Description									
Eliminating study on consolidating the Department of Safety and Professional Services and the Department									
of Agriculture, Trade and Consumer Protection									

Assumptions Used in Arriving at Fiscal Estimate

Assembly Bill 362 would eliminate a study on consolidating the Department of Safety and Professional Services and the Department of Agriculture, Trade and Consumer Protection that the Department of Administration is required to conduct and report on no later than January 1, 2014. This study was required as part of the 2013-15 Biennial Budget under 2013 Wisconsin Act 20. The fiscal effect of eliminating the study is minimal. However, the Department has invested staff resources to prepare the study as it is due by January 1, 2014.

Long-Range Fiscal Implications

None.
