**Assumptions Used in Arriving at Fiscal Estimate**

The only change in election administration required by this bill is to require that the Milwaukee County Clerk serve as the executive director of the Milwaukee County Board of Election Commissioners, rather than the Commission having the authority to hire an executive director. The bill does not change the election-related duties or functions of the County or municipalities within Milwaukee County. Whether there is any change in compensation or other personnel-related costs will depend upon decisions made by Milwaukee County officials and the Milwaukee County Clerk in staffing the Board of Election Commissioners. Because the bill does not change the actual duties and level of work to be performed by the Commission, it is assumed that any net savings or increases in personnel costs would be measured in the thousands of dollars.
