Description State assistance to school districts in achieving energy efficiencies					

Assumptions Used in Arriving at Fiscal Estimate

The bill requires the Department of Administration to provide information to school districts regarding opportunities to minimize expenses and environmental impacts through the modification of facilities and operational practices that maximize the efficiency of energy use, maximize the use of renewable energy resources, and otherwise minimize emissions of greenhouse gases.

State:

There is no fiscal effect on the department.

Local:

School districts may be able to reduce expenses utilizing information provided under this bill. The overall impact to school districts is indeterminate.

Long-Range Fiscal Implications
