Description disclosure of burial sites located on residential real estate and various changes relating to the preservation and disturbance of burial sites					

Assumptions Used in Arriving at Fiscal Estimate

The bill relates to the preservation of burial sites as managed by the Wisconsin Historical Society. The bill makes a minor reference change related to the cemetery property tax exemption. Under current law, a burial site cataloged by the Wisconsin Historical Society is eligible for a property tax exemption. Under the bill, a burial site must still be cataloged for the property tax exemption. The property tax exemption section of the bill has no fiscal effect.
