Assumptions Used in Arriving at Fiscal Estimate

The bill creates a sales and use tax exemption for the purchase of building materials used in the construction of a war memorial by an organization described in section 501 (c) (19) of the Internal Revenue Code. The exemption applies to purchases made by owners, lessees, contractors, subcontractors or builders who purchase the building materials, supplies and equipment used solely in the construction of the memorial.

No aggregate financial data exists for the construction of war memorials. For illustrative purposes, the department obtained the estimated cost of the Brooklyn, WI Veterans Memorial. Using an estimated cost of \$110,000 and assuming material costs of 50%, the amount subject to tax would be \$55,000. This would result in a minimal revenue decrease.

The overall fiscal impact depends on the number and scale of war memorials built in a given year.
