Fiscal Estimate Narratives

DOT 7/19/2017

LRB Number 17-3840/1	Introduction Number AB-0426	Estimate Type Original
Description submission of base budget review reports by state agencies, the legislature, and the courts		

Assumptions Used in Arriving at Fiscal Estimate

The department would be able to provide the required expenditure information with existing staff resources, assuming the report provided is based on the appropriation structure established by the biennial budget process. DOT could compile the report by retrieving the data from DOT's financial management systems and then manipulating the data in excel into the desired report format. No computer programming would be needed.

Long-Range Fiscal Implications
