Assumptions Used in Arriving at Fiscal Estimate

This bill creates a \$5,000 surcharge to be imposed on persons who are convicted of patronizing or soliciting prostitutes, pandering, or keeping a place of prostitution. Under this bill the surcharge amounts collected are used for treatment and services for sex-trafficking victims and for criminal investigative operations and law enforcement relating to Internet crimes against children.

Prosecutors indicate this legislation may increase the likelihood of a jury trial because of the high surcharge amount. Prosecutors said the impact on their offices would not be significant.

Long-Range Fiscal Implications

Prosecutors said the impact on their offices would not be significant.
