Assumptions Used in Arriving at Fiscal Estimate

Under this bill, a place used for preparing food for sale at a stand operated by a minor does not need a food processing plant license from the Department of Agriculture, Trade and Consumer Protection (DATCP) and also a stand operated by a minor does not need a retail food establishment license. The bill defines when a stand operated by a minor would qualify for the exemptions.

DATCP is not able to determine the number of licensed retail food establishments and food processing plants that either are operated by a minor, or prepare food for a stand operated by a minor, and thus would become exempt under the bill. Therefore, DATCP is not able to determine the fiscal effect of the bill.
