<b>Description</b> waiver of certain fees during a declared state of emergency		

**Assumptions Used in Arriving at Fiscal Estimate**

This bill authorizes the governor, during a state of emergency declared by the governor, to waive any fee required by the state for the replacement of a permit, license, approval, or other authorization for a person who resides or is headquartered in the area covered by the state of emergency.

Due to the uncertainty of the need for replacement of permits, licenses or authorizations during a state of emergency, it is not possible to predict the decrease in revenues associated with these waivers. The fiscal estimate is indeterminate.
