Fiscal Estimate Narratives

PSC 1/5/2018

LRB Number	17-1511/1	Introduction Number	AB-0760	Estimate Type	Original
Description authorizing a city, village, town, or county to restrict placement of a wind energy system					

Assumptions Used in Arriving at Fiscal Estimate

Under current law, no political subdivision may place any restriction, either directly or in effect, on the installation or use of a wind energy system that is more restrictive than the rules promulgated by the Public Service Commission. Under this bill, a city, village, town, or county may enact an ordinance that prohibits or regulates the placement of a wind energy system closer than 1,800 feet from the property line of any contiguous property, even if such an ordinance is more restrictive than rules promulgated by the Public Service Commission.

This bill may impact cases involving wind energy systems requiring approval by the Public Service Commission, however, no state fiscal impact is anticipated.
