Description						
reemployment rights, death benefits, and continuation pay benefits of national guard and state defense						
force members on state active duty and making an appropriation						

Assumptions Used in Arriving at Fiscal Estimate

This bill makes changes to laws administered by the Department of Military affairs concerning continuation of pay, death gratuity, and reemployment of national guard and state defense force members on active duty. Under the bill, the Department of Workforce Development would no longer pay the special death benefit for national guard or state defense force members.

The Department of Workforce Development anticipates no state fiscal effect from this bill, if enacted.

Long-Range Fiscal Implications
