## Fiscal Estimate Narratives

DATCP 3/3/2017

LRB Number	17-0060/1	Introduction Number	SB-023	Estimate Type	Original
<b>Description</b> seed potato certification and use and providing penalties					

### Assumptions Used in Arriving at Fiscal Estimate

This bill requires seed potato growers planting five or more acres in a calendar year to use certified seed potatoes from the University of Wisconsin-Madison or from an equivalent program in another state. The bill also requires seed potato growers to keep certain records for three years after planting for inspection by the Department upon request. This bill also includes a penalty for growers not in compliance with the certification and records requirements of the bill.

This bill will have no state fiscal effect.
