Description creating the Hire Heroes program to provide transitional jobs to veterans and granting rule-making authority		

Assumptions Used in Arriving at Fiscal Estimate

This bill requires the Department of Workforce Development (DWD) to establish a program to provide transitional jobs to veterans, in cooperation with the Department of Veterans Affairs (DVA) and Department of Children and Families (DCF). Under the new program called "Hire Heroes" a veteran is eligible to participate if he or she is at least 18 years old, has been unemployed for at least four weeks, is ineligible for the Wisconsin Works program, is a veteran as verified by DVA, and passes the required drug screening tests.

An individual may participate in the program for up to 1,040 work hours. DWD compensates a participating employer for costs including a wage subsidy, federal social security and Medicare taxes, state and federal unemployment insurance contributions or taxes, and worker's compensation insurance premiums, if any. The bill requires DWD to commit up to \$400,000 in each fiscal year in funding for the program.

The bill amends current statute to provide for expenditure of General Program Revenue (GPR) from 20.445 (1)(b) to support program grants and services, and from 20.445 (1)(bm) to support program operations. The estimated one-time cost to establish the program is \$18,000, which includes 200 hours of IT development at \$90 per hour.
