Assumptions Used in Arriving at Fiscal Estimate

This bill, among other things, prohibits state agencies from issuing credentials or credential renewals to employers with unpaid wage claims.

The use of the terms "occupational" and "professional" in this bill, as they pertain to certificates, licenses, permits or registration, applies to jobs that require such certificates, licenses, permits or registration to be issued prior to an individual being able to perform the job (such as teachers, doctors, dentists, accountants, attorneys, etc.). WEDC certifications are for tax credits and do not relate to job-related licensing requirements.

This bill has no fiscal impact on WEDC.
