Fiscal Estimate Narratives

LRB Number	17-1344/1	Introduction Number	SB-043	Estimate Type	Original
Description material misstatements on applications for certain credentials and providing a criminal penalty					

Assumptions Used in Arriving at Fiscal Estimate

This bill proposes creating a criminal penalty provision related to a person making a material misstatement or omission, or submitting falsified documentation, in an application for or a renewal of a credential issued by the Department of Safety and Professional Services or an attached credentialing board.

The Department of Corrections (DOC) is unable to estimate the state fiscal effect of this bill, as it is unable to estimate how many individuals will be subject to the bill's new criminal penalty provisions. The precise cost of this legislation will ultimately depend on the number of offenders and the sentencing practices of judges.

State costs could change if an increased or decreased number of offenders are convicted of this crime and placed on probation. The average FY16 annual cost to supervise one offender is approximately \$3,000.
