Assumptions Used in Arriving at Fiscal Estimate

This bill removes the prohibition on assigning legal counsel to a parent in a child in need of protection or services (CHIPS) proceeding, and creates a five county pilot program to be administered by the State Public Defenders Office (SPD) that creates a right to counsel for such a parent. The parent could be assigned an attorney by SPD (if indigent), could be appointed an attorney by the court, could retain an attorney of his or her own choosing, or could waive his or her right to an attorney.

Under the bill, the county pilot program creating a right to counsel for a non-petitioning parent in a CHIPS proceeding would sunset on June 30, 2021. The bill specifies that the pilot program will include Brown, Outagamie, Racine, Kenosha, and Winnebago counties.

By January 1, 2021, the Department of Children and Families (DCF) and SPD must each submit a report to the Joint Finance Committee and each house of the legislature regarding the costs of and data from implementing the pilot program.

This bill could increase costs to counties if the courts decide to assign counsel to a parent who does not qualify financially for representation by a state public defender, but cannot afford to pay for counsel. DCF would be able to absorb costs related to the required report.
