## Fiscal Estimate Narratives

LC 1/22/2018

LRB Number	<b>17-0464/1</b>	Introduction Number	<b>SB-710</b>	Estimate Type	<b>Original</b>
<b>Description</b> Coercive conditions attached to federal funding					

### Assumptions Used in Arriving at Fiscal Estimate

Among its provisions, the bill would direct the Legislative Council staff and the Legislative Fiscal Bureau to jointly prepare a biennial report that identifies programs for which the appropriation of federal funding is more than \$5 million and determines whether the federal funds appropriated to these programs impose coercive conditions on the state's continued eligibility to receive the federal funds.

The bill specifies that an initial report on 2017 Wisconsin Act 59 must be completed by December 31, 2018, and that future reports must be completed within 90 days after the effective date of each biennial budget act, until the requirement ceases on June 30, 2039.

The Legislative Council staff anticipate the ability to absorb the cost of preparing each report with limited impact on its ability to carry out existing duties.

### Long-Range Fiscal Implications
