### Assumptions Used in Arriving at Fiscal Estimate

STATE FISCAL EFFECT: The Department of Transportation does not foresee any significant fiscal impact under this bill. The Division of Motor Vehicles will continue to receive citations from law enforcement through existing systems. Additionally, the bill indicates that the citations resulting from this bill will need to be reported to the "traffic officer of the county or municipality in which the violation occurred". That language indicates that State Patrol Officers will turn over all citation material to the County Sheriff Department. Further, the department sees no significant impact to routine trooper duties to issue a citation based on a flagman's report.

LOCAL FISCAL EFFECT: None.
