Assumptions Used in Arriving at Fiscal Estimate

This bill creates an independent prosecutor board that oversees and sets policies for a state prosecutors office, also created in this bill. Under this bill, the executive director of the state prosecutors office manages the office; prepares personnel policies, fiscal estimates, and an annual report; and represents the board before the governor, the legislature, bar associations, and courts. The executive director may also identify methods and practices for district attorneys that promote professional competence and ethical practices. Under this bill, the state prosecutors office assumes duties relating to district attorneys that current law assigns to the Department of Administration, such as preparing a budget for all of the prosecutorial units, approving appointments of special prosecutors when needed, and making requests for assistant district attorneys in certain prosecutorial units.
