Description						
creation of a prosecutor board and a state prosecutors office and making an appropriation						

Assumptions Used in Arriving at Fiscal Estimate

The State Public Defender (SPD) is statutorily authorized and required to appoint attorneys to represent indigent defendants in criminal and certain commitment proceedings. The SPD plays a critical role in ensuring that the Wisconsin justice system complies with the right to counsel provided by both the state and federal constitutions.

This bill would create a state prosecutors office, and would also create an independent prosecutor board that oversees and sets policies for the state prosecutors office.

SPD does not anticipate a fiscal impact from this bill.
