Description creating the Council for Equity and Inclusion and the Office for Equity and Inclusion and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

This bill creates the Council for Equity and Inclusion and the Office for Equity and Inclusion, both attached to the Department of Administration. Under the bill, the council must do all of the following: establish and annually update a statewide plan for equity and inclusion in this state; designate individuals to coordinate with the Office for Equity and Inclusion to implement and enforce the plan established by the council; review individual agency plans for equity and inclusion; and submit annual reports of activities and updates to the statewide plan for equity and inclusion to the governor and the legislature. Under the bill, the Office for Equity and Inclusion must establish programs to implement and enforce the plan established by the Council for Equity and Inclusion.

Also, under the bill, the head of each executive branch entity represented on the Council for Equity and Inclusion must appoint an officer for equity and inclusion, and each such officer must develop and implement an annual plan for equity and inclusion that must be submitted to the council for review and approval. The bill also authorizes four full-time equivalent GPR positions for the Office for Equity and Inclusion and one full-time equivalent position for each of the executive branch entities represented on the Council for Equity and Inclusion.

Long-Range Fiscal Implications
