## CLEARINGHOUSE RULE 95-187

### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 1994.]**

#### 2. Form, Style and Placement in Administrative Code

a. In the third paragraph of the analysis, it appears that the third occurrence of the word “or” should be replaced by the word “of.”

b. In the last paragraph of the analysis, it appears that the word “not” should be inserted before the word “practice.”

c. The rule should be reviewed for the consistent use of the term “employe” rather than the use of the word “employee.”

d. In s. N 8.08 (1) (b) 2. a. and b., “shall not” should be replaced by “will.” This same change should also be made in pars. (c) and (d).

e. It is suggested that s. N 8.08 (1) (b) 2. be amended to state:

Evidence that the nurse has malpractice coverage under a group liability policy providing employe coverage for the nurse in the amount set forth in s. 655.23 (4), Stats., and a certificate, on a form provided by the board, that the nurse does not and will not practice professional nursing other than as the employe of the group practice and other than under the direction and supervision of a physician or nurse anesthetist.

f. In s. N 8.08 (1) (c) “where” should be deleted after the first occurrence and “on forms provided by” should be replaced by “on a form provided by.”

**4. Adequacy of References to Related Statutes, Rules and Forms**

If the rule will require any new forms, the requirements of s. 227.14 (3), Stats., should be met.
