Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated September 1998.]

2. Form, Style and Placement in Administrative Code

In s. ATCP 75.015 (7) (c) (intro.), “all of the following apply” should be inserted before the colon. In par. (c) 1., a period should be substituted for “; and.”

5. Clarity, Grammar, Punctuation and Use of Plain Language

The agency should include in its analysis a reference to the change in the items included in the calculation of food sales amounts. The analysis as currently written does not mention the deletion of “vitamin supplements” from the excluded items.
