2. Form, Style and Placement in Administrative Code

The treatment clause of s. CSB 2.08 should state that s. 961.18 (3) (o) is created because the rule is creating the entire paragraph, not just the subdivision of the paragraph. In addition, a subdivision is not typically created unless there is more than one item to list. However, it is recognized that the board may be anticipating the addition of subdivisions in the future.
