CLEARINGHOUSE RULE 03-098

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 2002.]

2. Form, Style and Placement in Administrative Code

a. The analysis of the rule does not describe the effect of the proposal in a meaningful way. It would be helpful to know why the change is being proposed or how the change will affect the activities required during the period of supervised practice.

b. The treatment clause of SECTION 1 should state that s. MPSW 4.01 (3) (b) and (c) are amended, since the introductory paragraph and par. (a) are not amended. Only the affected subunits should be shown.

c. Although there is a title “FISCAL ESTIMATE” following the rule, there is no text following the title. A fiscal estimate should be provided.
