5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In the first paragraph of the department’s analysis, reference to “board” in the last sentence should be in the plural. Consideration should be given to furnishing a short explanation in the analysis why the current rule “may penalize applicants who wish to later transfer scores.”

b. In the second paragraph of the department’s analysis, the last reference to “graduate” should be revised to “graduating.”

c. In the text of the proposed rule, the current reference to “graduation” should be stricken and replaced by “graduating”.

d. Is there a need for a transition of initial applicability provision for the proposed revision?
