CLEARINGHOUSE RULE 04-096

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 2002.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In part 1-201.10 (53m) relating to the definition of “mobile food establishment,” a colon should be used after the word “a”. Also, in the following subunit, the word “restaurant” should be replaced by the word “Restaurant.”

b. In part 1-201.10 (68) relating to the definition of “Premises,” a colon should be used after the word “sold.”

c. In part 4-603.17 (B) (5) (a), the word “An” should be replaced by the word “A.”

d. In part 6-201.19, the phrase “washed this” should be replaced by the phrase “washed. This does.”

e. In part 10-301.11, the phrase “in accordance with the Wisconsin department of commerce” is meaningless. Presumably, the test should refer to rules of the Department of Commerce. As a general comment, the food code in many provisions is amended to delete specific references to rules of the Department of Commerce. Why is the department replacing specific cross-references with general references to rules of the Department of Commerce?
