Laura D. Rose
Legislative Council Deputy Director

CLEARINGHOUSE RULE 06-034

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

2. Form, Style and Placement in Administrative Code

a. The rule summary should follow the format described in s. 1.02 (2), Manual, and so should include the last three categories of information listed under headings 10, 11, and 12 in the Manual. Also, the order of headings 3 and 4 in the rule summary should be reversed.

b. Section Comm 131.50 is missing a sub. (5). Is this intentional?

4. Adequacy of References to Related Statutes, Rules and Forms

Paragraph 560.125 (4) (f) should be referenced under “Statutory authority” and “Explanation of agency authority” in the rule summary, in addition to sub. (5m), because sub. (4) authorizes the department to impose other conditions on the receipt of grants, such as in s. Comm 131.50 (2).

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. In s. Comm 131.10, “using” should replace “utilizing.” In s. 131.30 (2), “used” should replace “utilized.”

b. In the first line of the appendix, “there” in the heading should be replaced by “in s. Comm 131.20.”
