CLEARINGHOUSE RULE 06-039

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. Item 3. of the preface to the rule states that: “The proposed rule creates a new noise testing method for testing all noise related to boat operation...” Since the rule relates to sound testing methods only for airboats, hovercraft, and other air propulsion type watercraft, should the explanation in this item be limited to noise related to operation of these types of boats?

b. In item 9. of the preface to the rule, the first sentence should read: “...a commercial or nonrecreational fishing boat, a ferry, or other vessel...”
