CLEARINGHOUSE RULE 06-095

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]

2. Form, Style and Placement in Administrative Code

a. Please review the headings in the rule summary so that they are consistent with what is required under current law. [See s. 1.02 (2), Manual.] Also, there is no “Analysis and supporting documents used to determine effect on small business or in preparation of economic impact report” heading or information.

b. In the treatment clause for SECTION 4, the reference to (4) (d) should be deleted.

c. In the treatment clause for SECTION 6, a reference to (2) (d) 2. needs to be added.

5. Clarity, Grammar, Punctuation and Use of Plain Language

In s. DWD 59.05, it appears that the new language could be written more accurately. Perhaps, “that will allow the match amount to be expressed in whole dollars” would be more appropriate.
