5. Clarity, Grammar, Punctuation and Use of Plain Language

- a. The clarity of the rule could be improved if the phrase: “at the time of the contribution,” was inserted after “Wisconsin law.”
- b. The agency may wish to specify the applicable dates for contributions received that are to be divested. Also, an applicability provision to clarify the intent of the board would be helpful.
- c. The agency may wish to explicitly reference s. EIBd 1.39 to clarify the relationship of that section to the rule.
