2. Form, Style and Placement in Administrative Code

a. Is the rule intended to apply to current applicants, regardless of when they applied? The department may wish to consider an initial applicability clause to clarify the application of the changes in the rule to current applicants.

b. Is the phrase “Commencing January 1, 1994” still needed in s. Med 1.06 (3) (b)? If not, the board might consider striking it.
