### CLEARINGHOUSE RULE 08-109

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]**

#### **2. Form, Style and Placement in Administrative Code**

a. In the rule preface, the discussion of related rules and the plain language analysis refer to “this emergency order.” Since Clearinghouse Rule 08-109 is not an emergency rule, the word “emergency” should be deleted.

b. The rule preface summary of, and comparison with, existing or proposed federal regulations, states that federal law requires the state “to promote the development of an elder abuse, neglect, and exploitation (ANE) to include....” It appears that some additional language needs to be inserted after the acronym “(ANE)” to further describe the phrase “an elder abuse, neglect, and exploitation.” Should the additional language be something similar to the phrase “reporting system”?
