CLEARINGHOUSE RULE 09-115

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]

2. Form, Style and Placement in Administrative Code

a. The rule should indicate that the Note following s. DHS 172.11 (1) is repealed and recreated and that the Note following the “Wading Pools” entry in Table DHS 172.23-B is repealed.

b. In SECTION 6 of the rule, it is unclear how the rule intends to amend the existing “greater than or equal to” signs, and it is unclear whether the new value signs added in the left column are underscored “less than” and “greater than” value signs or if they are “less than or equal to” and “greater than or equal to” signs that are not underscored.

c. In s. DHS 172.19 (4) (b), “as provided in” should be inserted after “Except”.

d. It appears that the reference to s. DHS 90.30 (3) is both repealed and added to the entry on “Wading Pools” in Table DHS 172.23-B. Also, the second cross-reference should not begin with a parenthetical notation.
