Legislative Council Director

Laura D. Rose
Legislative Council Deputy Director

CLEARINGHOUSE RULE 11-040

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]

2. Form, Style and Placement in Administrative Code

a. Stricken material should precede adjacent underscored material. For example, in SECTION 5, “~~or from~~” should precede “, or by calling”. [See s. 1.06 (1), Manual.]

b. The full citation of the rule should appear at the beginning of the text shown in a particular SECTION. For example, in the text of SECTION 7, “ETF 10.71 (1)” should precede “(a)”. This was done correctly in SECTION 10 and other SECTIONS. The entire rule should be reviewed for instances where this was not done correctly.

c. Although not an error as drafted, the renumbering in SECTION 16 could be avoided by creating s. ETF 11.02 (8g) in SECTION 17 and s. ETF 11.02 (8r) in SECTION 18. [See s. 1.03 (2) (g), Manual.]

d. In SECTION 44, “Box ~~7930~~ 7931” should replace “Box 79301”.
