Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated November 2011.]

2. Form, Style and Placement in Administrative Code

a. The Commission’s proposed rule should include a relating clause in the introductory clause that concisely states the subject matter of the proposed rule. Based on other materials submitted to the Clearinghouse, the phrase “relating to regulation of telecommunications providers and services” would serve as a suitable relating clause.

b. In the enumeration of rule provisions treated by the proposed rule, “PSC” should be inserted after “repeal and recreate”.

c. The proposed rule should include a numbered section indicating the effective date of the proposed rule. [s. 1.02 (4), Manual.]
