CLEARINGHOUSE RULE 15-090

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

2. Form, Style and Placement in Administrative Code

a. The introductory clause for the proposed rule should be revised to enumerate the rule provisions affected by the proposed rule and to state the nature of the treatment of each rule provision. [s. 1.02 (1), Manual.]

b. In the treatment clause for SECTION 3 of the proposed rule, each instance of the word “title” should be enclosed in parentheses. [s. 1.05 (3) (a), Manual.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

Under the “Comparison with rules in adjacent states” section of the rule summary, the phrase “internet based search” as used within the description of Iowa’s rules should be changed to “Internet-based search” to be consistent with the description of other states’ rules and to use proper grammatical structure.
