CLEARINGHOUSE RULE 16-091

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]

2. Form, Style and Placement in Administrative Code

Instead of using semicolons or commas within the same subsection, the board should consider using paragraphs to individually list each type of practitioner referenced in s. RAD 1.02 (12).

5. Clarity, Grammar, Punctuation and Use of Plain Language

In the “Comparison with rules in adjacent states” section of the rule summary, the description for each state’s rules should be separated into an individual section for each state rather than contained in one paragraph.
