2. Form, Style and Placement in Administrative Code

In addition to creating s. 961.14 (2) (z), Stats., the board could consider amending the ending punctuation of par. (y) to be consistent with the ending punctuation used in the other paragraphs. Alternatively, the board could consider amending the other paragraphs to end each with a period rather than a semicolon, in order to be consistent with the recommended style. [s. 1.03 (4), Manual.]
